Cook4Life - Tameside Active Sport

We have some available slots on our **FREE** 'Cook4Life' healthy cooking programme in partnership with Children's Nutrition Teams.

The Cook4Life programme is a 3-week programme aimed at 5 families which is designed to inspire and develop the overall lifestyle of participating families. With record levels of overweight/obese children, the programme is designed to encourage children to make healthy choices from an early age, by supporting families to develop their skills and confidence when preparing and cooking meals.

The course is now delivered virtually. Our partners Children's Nutrition Team will deliver all food and resources directly to school for children to take home and they will engage with families through phone call catchups and questionnaire's.

This is a great opportunity, so if you would like to take part, please notify Mrs Marrow or Mrs Barber and your name will be put forward.
