### Reminder

Air Class don't forget your swimming kit!  
Last lesson 23<sup>rd</sup> July 2024

### Suncream

As the weather will be getting warmer, we will again be providing a top-up of suncream, at lunchtime, on the days when it is needed. We have purchased Tesco's factor 50 Kids suncream. This is much easier than having 20+ separate bottles in the classroom. If your child requires a specific cream, due to allergies, please opt out of having the school cream and send your own labelled bottle, which will then be kept in school.

### Let Your Light Shine Assembly

Friday 28<sup>th</sup> June 2024  
9.10am

Please bring any certificates from home.

### Attendance this Week Target 97%

Whole School: 95.6%

Earth: 97.1%

Water: 96.5%

Air: 94.4%

Fire: 94.8%

### REMINDER

Please label all items of clothing so we can return them to the correct child if they are removed and mislaid.

Thank you

**EARTH**

We have the opportunity for up to 5 families to take part in the Tameside Active Cook4Life course. This is a 3week programme which develops skills and confidence in preparing and cooking meals, whilst encouraging making healthy choices.

The course is delivered virtually. The Children's Nutrition Team will deliver all food and resources directly to school for children to take home and they will engage with families through phone calls and questionnaires.

This is a great opportunity. Please contact the school office if you are interested in putting your name down to take part in this course.
