SPORTS DAY

Wednesday 26th June - 1:30pm (Weather dependent)

Due to the Olympics taking place this year, we are theming our sports day around this.

Children have randomly been placed in 5 teams; each one named after one of the Olympic rings. Each ring is a different colour and represents one of the five most populated continents of the world.

Blue - Oceania **Black - Europe** **Red - The Americas** **Yellow - Africa** **Green - Asia**

Class teachers will inform you of the colour for your child. Please provide a t-shirt in that colour for your child to wear.

All welcome to watch.

REMINDER

Please label all items of clothing so we can return them to the correct child if they are removed and

Cook4Life

We have the opportunity for up to 5 families to take part in the Tameside Active Cook4Life course. This is a 3week programme which develops skills and confidence in preparing and cooking meals, whilst encouraging making healthy choices.

The course is delivered virtually. The Children's Nutrition Team will deliver all food and resources directly to school for children to take home and they will engage with families through phone calls and questionnaires.

This is a great opportunity. Please contact the school office if you are interested in putting your name down to take part in this course.
