VOLUNTEER DRIVERS NEEDED

We're a children's transport charity in Greater Manchester looking for volunteer drivers.

The role is driving accompanied children with no other means of transport to healthcare appointments in your own car (we provide child car seats), waiting for the family and then returning them home. It's really worthwhile and so appreciated by the children, their families and the NHS.

The role is flexible so can work around other commitments, you decide which days you volunteer and we reimburse you monthly for your fuel costs.
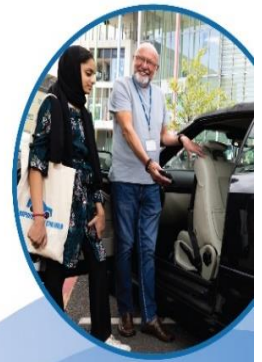

All we ask is that you have:

A caring attitude
Your own car
Some spare time
