The Etherow Indoor Bowling Centre, located on the first floor of the Etherow Centre in Broadbottom, was saved from closure in September 2023.

Broadbottom Cricket Club is proud to announce a brand-new website broadbottomcricketclub.com – this new site is your one stop shop for fixtures and results, club news and events, as well as a more streamlined way of paying for your BCC annual membership. This season they have simplified the membership categories, while introducing a new category for families on Universal Credit.

To pay for your 2025/26 BCC membership online visit the website, then click the 'Shop' tab. While the club encourages all members to pay online, they will still accept membership payments at the bar.

Since then, it's been welcoming lots of new players and hosting some fantastic events.

Sunday 6 January saw the second annual NHS Charity Long Mat bowls day, when 48 player took part in the Fours event and an impressive total of £740 was raised for the NHS.

The trophy was won by "Doddy and the Diddy Men" securing the title this year against the "Four Tops".

Then, at the end of January, England Ladies and England Under 21s Short Mat Bowling teams visited the centre to put our Greater Manchester team through their paces. The weekend was a fantastic success, and saw over 200 players, spectators, family members and organisers visit over the weekend, including Local MP and Secretary of State for Business and Trade, Jonathan Reynolds.

Bowls is a fully inclusive sport, available to all, regardless of age, gender or disability, it is a low-impact sport with many recognised physical and mental health benefits. Why not join in the fun and pay the club a visit?
